

LITTLE BLUE NATURAL RESOURCES DISTRICT

NRD PARKS REGULATIONS

JUNE 10, 2016

001 General Regulations Governing the Administration and Use of District Recreation Area Property.

Under the provisions of Sections 2-3202, 39-612, 39-663, 39712.01 and 39-602, Revised Statutes of Nebraska, and *LB 861* of the 88th Legislature of Nebraska, the following rules and regulations are adopted and promulgated by the Little Blue Natural Resources District to govern the administration, use, maintenance and protection of all District parks, and recreation areas under the ownership or control of said District. These rules and regulations are effective July 1, 1986.

The rules and regulations contained in this section shall apply to all persons entering, using, residing in, visiting or who are otherwise within the boundaries of any District owned or controlled park, or recreation area administered by the District. The special regulations contained in this section also apply to all persons entering, using, residing in or visiting the areas for which such special regulations are adopted.

Definitions

The following definitions shall apply to all regulations contained in this section.

- a) District shall mean the Little Blue Natural Resources District.
- b) Manager shall mean the General Manager of the Little Blue Natural Resources District.
- c) Law Enforcement Officer shall mean any duly constituted and credentialed law enforcement officer, local, state or federal, including Nebraska Game and Parks Commission Conservation Officers.
- d) Recreation Area shall mean all District owned or controlled parks, recreation areas, administered by the District.

001.01 Abandoned Property

001.01A Abandonment of any vehicle or other personal property is prohibited and such property may be impounded by the Manager or Law Enforcement Officer.

001.01B Leaving any vehicle or other personal property unattended for longer than seventy-two (72) hours, without prior permission of the Manager is prohibited and any property so left may be impounded by the Manager or Law Enforcement Officer. In the event unattended property interferes with the safe or orderly management of the park area, it may be impounded at the expense of the owner.

001.02 Aircraft, Powerless Flight and Model Airplanes

- 001.02A** The operation or use of aircraft on lands or waters other than at landing areas designated in special regulations is prohibited. Where water surface is designated as a landing area, the operation or use of aircraft on the water within five hundred (500) feet of bathing beaches, boat docks, piers, ramps, or within one (1) mile of water control structures is prohibited.
- 001.02B** Except in extreme emergencies involving the safety of human life or threat of serious property loss, the air delivery of any person or thing by parachute, helicopter or other means without prior written permission of the District is prohibited.
- 001.02C** The provisions of this section shall not be applicable to aircraft, engaged on official business of the Federal or State government or the District, or used in emergency rescue, or forced to land due to circumstances beyond the control of the operator.
- 001.02D** The operation of aircraft shall be in accordance with current regulations of the Federal Aviation Agency.
- 001.02E** The launching or landing of sailplanes, gliders, balloons, body kites, hang gliders, ultra lights, and other devices designed to carry persons or objects through the air in powerless flight is prohibited without a written permit from the District specifying the conditions under which such launching or landing is to be conducted.
- 001.02F** The operation of remote controlled model airplanes, other hobby craft and drones is allowed by permission of the District, and only in areas so designated by the District. Operators must follow all safety rules including operating aircraft within the operator's visual line of sight, operating under a 400' ceiling and in a manner that does not interfere with other recreationalist's activities, or in a manner with poses a hazard or threat to any person.

(1.02F Added 5-10-16)

001.03 Audio Devices

- 001.03A** The operation or use of any audio devices including a radio, television set, musical instrument, or a device producing noise such as an electric generating plant, a motor vehicle, a motorized toy, or other equipment driven by a motor or engine in such a manner or at such time so as to unreasonably annoy or endanger persons in campgrounds, picnic areas or at other public places or gatherings is prohibited.
- 001.03B** The operation or use of a public address system, whether fixed, portable, or vehicle mounted, on lands, waters, or highways, is prohibited, except when such use or operation is in connection with a public gathering or special event for which a permit has been issued.

001.04 Begging and Soliciting

001.04A Begging is prohibited.

001.04B Hitchhiking or the soliciting of transportation is prohibited, except in emergencies and cases of vehicle breakdown.

001.04C Commercial soliciting of any kind is prohibited: Provided that this section shall not apply to transactions with authorized concessionaires.

001.05 Camping

001.05A Camping is defined as the temporary lodging out-of-doors for outdoor recreational purpose and presupposes occupancy of a shelter designed for such purpose (i.e. sleeping bag, tent, trailer or other recreational vehicle).

001.05C Camp sites are provided on a first come, first served basis.

001.05D The reservation of campsites by leaving a vehicle or other property unattended is prohibited without the prior permission of the Manager. Such unattended property is subject to impoundment by the Manager, the Manager's designee or Law Enforcement Officer. A fee may be assessed to the owner for the recovery of any such impounded property.

001.05E Camping equipment placed on a campsite by an unregistered party or any equipment left on a campsite after the end of the rental period may be impounded by the NRD. Such impounded equipment may be claimed by contacting the NRD Office. A fee may be assessed to the owner for the recovery of any impounded property.

001.05F Handicapped campers have first preference to handicapped camper pad sites, and non-handicapped campers will be required to forfeit the site to a handicapped camper.

001.05G Only one camper unit is permitted per camper pad and all associated vehicles and trailers should be contained within the confines of that camper pad area. Driving and parking on the grass is prohibited.

001.05H Daily camper hookup fees, and the payment and enforcement of such fees will be established by Board Policy.

001.05I Camping is permitted for a maximum of fourteen (14) consecutive days on any single area during any thirty (30) - day period. The installation of permanent camping facilities is prohibited.

- 001.05J** The digging or leveling of ground at any campsite is prohibited except with permission of the Manager.
- 001.05K** Camper units may not exceed 102” in width and forty (40) feet in length as defined by *Statute 39-602, R.R.S.N.*
- 001.05L** Camping equipment must be completely removed and the sites cleaned prior to departure.
- 001.05M** Quiet shall be maintained in all campgrounds between the hours of ten (10) p.m. and six (6) a.m.
- 001.05N** Where indicated by appropriate sign at the entrance to a designated camping area, permission to enter or occupy such area is reserved to campers between the hours of ten (10) p.m. and six (6) a.m. No other persons shall have permission to enter or occupy such areas unless specifically authorized by the Manager.

001.06 Closures

- 001.06A** The District may establish a reasonable schedule or visiting hours for all or portions of a park area and close to public use all or any portion of a park area when necessary for the protection of an area or the safety and welfare of persons or property by the posting of appropriate signs indicating the extent and scope of such closure.
- 001.06B** All persons shall observe and abide by officially posted signs designating closed areas and visiting hours.

001.07 Dogs, Cats, Other Pets and Livestock

- 001.07A** Dogs, cats and other pets are prohibited unless they are crated, caged, or on a leash or otherwise under physical restrictive control at all times.
- 001.07B** Pets are prohibited in public eating places and food stores, public buildings, and on designated swimming beaches. This paragraph shall not apply to guide dogs.
- 001.07C** Dogs, cats or other pets running at large and observed by an authorized person in the act of killing, injuring or molesting humans or wildlife may be disposed of in the interest of public safety and protection of the wildlife.
- 001.07D** In park areas where hunting is permitted, the use of hunting dogs is allowed provided the area is open to hunting and the dogs' owners or handlers accompany and have control of such dogs and is responsible for the actions of such dogs.
- 001.07E** Grazing or ranging domestic animals or poultry is prohibited without prior written authorization by the District.
- 001.07F** Horseback riding and the use of pack animals is permitted only on roadways and on designated areas.

- 001.07G** Riding or hitching horses, or other saddle or pack animals in campgrounds or picnic areas, or within the immediate vicinity of trail shelters, eating or sleeping establishments or other areas of public gatherings, except where trails and facilities are provided for such use, is prohibited.
- 001.07H** Riders shall slow their horses to a slow trot or walk when passing persons on foot or bicycle.

- 001.08A** The use or possession of explosives is prohibited except upon written permission of the District.
- 001.08B** The use or possession of fireworks is permitted only in areas or portions of areas designated for such use by appropriate District posting. No permission is granted for the use or possession of such fireworks in other than designated areas and such possession and use shall conform to applicable laws of the State of Nebraska.
- 001.08C** Organized fireworks displays open to the general public without charge and sponsored by a responsible agency or organization may be permitted by written authorization by the District and the State Fire Marshall.

001.09 Fires & Firewood Harvest

- 001.09A** The kindling of any fire is permitted only: In designated camping and picnic grounds when the fire is confined in a fireplace provided for the use of visitors, or in grills, or in locations specified by the Manager; or in stoves or lanterns using gasoline, propane, butane gas or similar fuels.
- 001.09B** Fires must be kindled in such manner that no tree, shrub, grass or other combustible matter will be set on fire or caused to be set on fire.
- 001.09C** When no longer needed, the fire shall be completely extinguished. Leaving a fire unattended is prohibited.
- 001.09D** Throwing or dropping a lighted cigarette, cigar, pipe heel, match or other burning material is prohibited.
- 001.09E** The kindling of fires on park lands owned or controlled by the District may be prohibited by the Manager by posted signs when the fire hazard makes such action necessary.
- 001.09F** The Manager, during such periods of time as he may prescribe, may prohibit smoking on any park lands, including roads and trails, by the posting of appropriate signs.
- 001.09G** The kindling of fires or the use of any type of cooking device is expressly prohibited on any designated swimming beach.

001.09H The use of handsaws and axes to harvest dry wood for campfires is permitted on the premises, however, the use of chainsaws and/or the cutting of live trees is prohibited unless permission is granted by the Manager.

001.10 Fishing, Hunting, Trapping

001.10A Fishing is permitted on all park lands subject to general fishing regulations and to specific local regulations.

001.10B Any area or portion of area may be closed to all or any form or method of fishing by posting of appropriate signs.

001.10C Fishing from or within twenty (20) yards of any public boat ramp, boat dock, mooring area or swimming beach is prohibited.

001.10D Fishing from motor road bridges is prohibited.

001.10E Hunting or the use of firearms, bow and arrow or other projectile devices is prohibited on District recreation areas with the following exceptions:

001.10E1 District Recreation Areas or portions thereof are open to hunting subject to general hunting regulations from the first Tuesday following Labor Day to April 1, unless prohibited or restricted by appropriate signs or specific area regulations. Hunting is prohibited within one hundred (100) yards of any public-use facility or activity area, including picnic areas, campgrounds, private cabin and concession areas, boat ramp and parking lots.

001.10E2 District Park Areas or portions thereof open to hunting in accordance with general hunting regulations and special area regulations.

001.10E3 Firearms used by law enforcement officers in performance of their duties.

001.10E4 Firearms used in training sessions by law enforcement personnel or firearms or other projectile devices used in exhibitions authorized by the District.

001.10E5 Firearms or other projectile devices authorized for use by the public on designated ranges.

001.10E6 The use of and/or possession of paint ball weapons of any type shall be prohibited on park areas.

001.10F Trapping of furbearers on District owned or controlled lands is authorized only by special permit and only at such times and locations as when the Manager determines sufficient depredation is occurring to warrant the removal of surplus furbearers.

001.10G Applications for depredation trapping permits shall consist of a letter directed to the District requesting such a permit to trap at a specific area or areas. Applications shall be filed not later than August 31 of each year.

001.11 Ice Fishing, Hunting Blinds, Digging and Seining

001.11A Temporary portable shelters can be erected on District-owned waters. These shelters must be removed daily. Permanent type shelters are prohibited.

001.11B Ice fishing is prohibited after February 10.

001.11C The door to any fish shelter shall be constructed so that it can be opened from the outside at all times when in use and the shelters may be locked when not in use. The District shall remove, burn or otherwise destroy or dispose of such structures found on the ice after February 10 each year.

001.11D Hole size made for ice fishing on any area under jurisdiction of the District shall not exceed ten (10) inches in diameter.

001.11E Daily waterfowl hunting blinds may be installed and used on District recreation areas, provided that no blinds may be installed and used on areas posted as closed to such activities.

001.11F Waterfowl hunters installing and using daily blinds on District recreation areas shall be responsible for removing such blinds and other personal property from the area at the close of hunting each day. Waterfowl hunters installing seasonal blinds shall obtain written permission from the District before doing so. Waterfowl hunters installing floating blinds shall secure it so drifting of the blind is prevented.

001.11G Hunting blinds and other personal property remaining on a District recreation area following close of hunting shall be impounded in accordance with Section 001.01.

001.11H No person shall enter upon any area, or portion of any area, which is temporarily closed to general public access and which is posted with appropriate signs.

001.11I Digging or seining for any purpose on District-owned or controlled areas is prohibited.

001.11J No publicly-owned personal property may be removed from any area or be moved from its general location without specific permission from the Manager.

001.11K Management personnel are specifically authorized to remove structures and facilities in accordance with applicable regulations.

001.11L Failure by the permittee to remove his ice shelter by the dates specified and in the manner stipulated in these regulations shall be cause to revoke such permit and to restrict the permittee for future consideration of such permits.

001.12 Intoxication: Consumption of Alcohol

001.12A Consumption of alcoholic beverages on parklands owned or controlled by the District is permitted with the following exceptions.

001.12A1 Consumption is prohibited on all roadways, parking areas, designated swimming areas, archery or target ranges.

001.12A2 Consumption of alcohol may be prohibited on any park or recreation area or portions thereof with the use of appropriate signage.

001.12B Presence in a park area when under the influence of alcohol, or drugs, to a degree that may endanger oneself, or another person, or property, or may cause unreasonable interference with another person's enjoyment of a park area is prohibited.

001.13 NRD Lands Managed by Nebraska Game and Parks Commission

001.13A Upon completion of a recreation area constructed by the District and managed by the Nebraska Game and Parks Commission, State Park Regulations, as administered by the Nebraska Game and Parks Commission, shall apply.

001.14 Permits, Special Occasion

001.14A Sports events, pageants, reenactments, regattas, entertainments and the like, characterized as public spectator attractions or participant activities, and are prohibited unless written permission therefore has been given by the District. Such permits shall be issued only after a finding that the issuance of such permit will not be inconsistent with the purposes for which the area is established and maintained and will cause the minimum possible interference with use of the area by the general public. The permit may contain such reasonable conditions and restrictions as to duration and area occupied as are necessary for the protection of the area and public use thereof.

001.14B Public meetings, assemblies, gatherings, demonstrations, parades, weddings, religious services and other expressions of views are prohibited unless written permission therefore has been given by the District in accordance with District policy.

001.14C The filming of still or motion pictures of lands and facilities owned or controlled by the District for commercial purposes is prohibited unless written permission therefore has been given by the District.

001.14D Applications for a Special Occasion Permit shall be received by the District not later than ten (10) days prior to the requested special activity and shall set forth the following: The name of the applicant, the date, time, duration, nature and place of the proposed activity, an estimate of the number of persons expected to attend, and a statement of equipment and facilities to be used in connection therewith.

001.14E As a condition of the permit issuance, the District may require the filing of a bond with satisfactory surety payable to the District, to cover costs such as restoration, rehabilitation and cleanup, of the area used, and other costs resulting from the permittees' activity. In lieu of a bond, a permittee may elect to deposit cash equal to the amount of the required bond.

001.15 Preservation of Public Property

001.15A The possession, destruction, injury, defacement, removal or disturbance in any manner of any building, sign, equipment, monument, statue, marker or other structure, or of any animal or plant matter and direct or indirect products thereof, including but not limited to petrified wood, flower, cane or other fruit, egg, nest, or nesting site, or of any soil, rock or mineral formation, artifact, relic, historic or prehistoric feature, or of any other public property of any kind without prior permission of the Manager is prohibited.

001.15B The gathering or possession for personal consumption or use of only such fruits and berries as the Manager may designate is permitted. All such fruits and berries shall be picked only by hand. The gathering or collecting of such objects for the purpose of sale is prohibited.

001.15C The destroying, digging, removing, or possession of any tree, shrub or plant is prohibited; provided that the collection and possession of dead wood found on the ground for use as fuel in campgrounds or picnic areas is permitted except as posted by appropriate signs.

001.15D Dead timber which has been cut down and stockpiled for removal from the park area by authority of the Manager may be further cut and removed from the area by the public with the permission of the Manager for personal consumption at home. The removal for the purpose of sale is prohibited.

001.15E Entering, climbing upon, or tampering with District or District Contractors' motor vehicles and motorized or power equipment is prohibited.

001.16 Sanitation

- 001.16A** All garbage, papers, cans, bottles, waste materials and rubbish of any kind must be deposited in places or containers designated for the disposal thereof, or removed from the area.
- 001.16B** Draining or dumping refuse or wastes from any trailer, or other vehicle except in places or receptacles provided for such use is prohibited.
- 001.16C** Cleaning food, fish or fowl or washing clothing, vehicles, campers, or articles of household use at campground hydrants is prohibited.
- 001.16D** Polluting or contaminating in any manner any watershed, water supplies or water used for drinking purposes is prohibited.
- 001.16E** Fish entrails or other inedible parts of fish may be disposed of by placing in a trash receptacle provided. Placing into fresh waters or onto public land is prohibited.
- 001.16F** Depositing any body waste in or on any portion of any comfort station or other public structure except into fixtures provided for that purpose is prohibited. Placing any bottle, can, cloth, rag, metal, wood or stone substances in any of the plumbing fixtures of such structure or station is prohibited.
- 001.16G** Urinating or defecating other than at the places provided therefore is prohibited.
- 001.16H** Using District refuse containers or other refuse facilities for dumping household or commercial garbage or trash brought as such from private property is prohibited.

001.17 SCUBA Diving

- 001.17A** SCUBA Diving is defined as swimming with the aid of self-contained underwater breathing apparatus (air tanks) and shall not apply to snorkeling.
- 001.17B** SCUBA Diving is prohibited within two hundred (200) feet of the limits of designated swimming, boat mooring and boat-docking areas.
- 001.17C** The International Divers Flag must be displayed whenever engaged in SCUBA diving. The SCUBA diver must stay within one hundred fifty (150) feet of his flag.
- 001.17D** SCUBA diving is permitted in all waters owned or controlled by the District except in waters and at times where such activity is prohibited in the interest of public safety or health, which excepted waters shall be designated by regulation and/or posted signs.

001.18 Skating, Skateboards

001.18A The use of roller skates and skateboards is prohibited except in locations designated by the Manager by the posting of appropriate signs.

001.19 Snowmobiles

001.19A Control Generally

Except as hereinafter provided, no person shall operate any snowmobile within areas of the District recreation area unless such snowmobile has been registered in accordance with applicable state law.

001.19B Definitions

- Person:** Any individual, partnership, corporation, the state and its agencies and subdivisions, and any body of persons, whether incorporated or not;
- Snowmobile:** A self-propelled vehicle designed for travel on snow or ice steered by skis or runners, and supported in part by skis, belts, or cleats;
- Owner:** A person, other than a lien holder, having the property in or title to a snowmobile entitled to the use or possession thereof;
- Operate:** To ride in or on and control the operation of a snowmobile;
- Operator:** Every person who operates or is in actual control of a snowmobile;
- Register:** The act of assigning a registration number to a snowmobile;
- Roadway:** That portion of a highway or park interior road, designed, or ordinarily used for vehicular travel;

001.19C Registration Requirements

All snowmobiles **MUST** be registered.

Applications for registration of snowmobiles should be made to the County Treasurer in your county of residence.

001.19D Out-of-State Snowmobiles

Snowmobiles from a state other than Nebraska may be operated within the District recreation areas providing said snowmobiles are properly registered in accordance with the laws of their home state.

001.19E Required Equipment

No snowmobile shall be operated within areas of the District's Park System unless equipped with the following equipment:

At least one headlamp and one tail lamp, each of minimum candle-power as prescribed by the Department of Motor Vehicles.

A minimum of sixteen (16) square inches of reflective material mounted on each side forward of the handlebars.

Brakes, each of which shall conform to standards prescribed by the Department of Motor Vehicles.

A muffler in good working order which blends the exhaust noise into the overall snowmobile noise and is in constant operation to prevent excessive or unusual noise. The exhaust system shall not emit or produce a sharp popping or crackling sound.

001.19F Operation

No snowmobile may be operated within the District's park areas on other than designated trails, roadways, and parking areas. Snowmobiles may also be operated during specified hours on the frozen lake surface unless otherwise posted.

The Manager and his designated representatives reserve the right to temporarily close any District park area or portion thereof to snowmobile activities for the following reasons: Insufficient snow cover (less than four (4) inches), insufficient lake ice (less than eight (8) inches), safety, weather, resource protection, civil emergencies or other management considerations at the sole discretion of the District.

The operation of snowmobiles on designated lake surfaces is at the sole risk of the operator. The District assumes no responsibility for safety of said operation.

Snowmobile operators are responsible for inspecting frozen lake surfaces for sufficient ice thickness (minimum eight (8) inches) and for possible hidden hazards prior to any such operation. Snowmobile operators are cautioned to be alert for soft ice caused by flowing springs, streams, and rivers, and also caused by variations in temperature.

Snowmobiles shall not be operated within any portion of a designated area which has been marked off or otherwise posted as closed to snowmobile operation by the District.

Snowmobiles shall not be operated in a manner intended to or reasonably be expected to harass, drive or pursue any wildlife.

Snowmobiles shall not be operated at speed exceeding that which is safe and reasonable when passing with thirty (30) yards of any property, ice fishing shelter, trail head, boat ramp, immobile snowmobile, or person walking on or fishing through the ice. In no case, shall any person or persons operate a snowmobile so as to cause discomfort, hazard or damage to the person or property of others.

Snowmobiles may be operated within the District's park areas only between the hours of one-half (½) hour before sunrise and 9:00 p.m. or as posted.

001.19G Who May Operate

No person under the age of twelve (12) years may operate a snowmobile on District park lands unless accompanied by a parent, guardian or other person over eighteen (18) years of age.

No persons over the age of twelve (12) years and under the age of sixteen (16) years shall operate a snowmobile on District park lands unless such person holds a valid snowmobile safety certificate or is accompanied by a person fourteen (14) years of age or over who holds a valid snowmobile safety certificate, or is accompanied by a person over the age of eighteen (18) years.

001.19H Unlawful Acts

It shall be unlawful for any person to drive or operate any snowmobile in the following unsafe or harassing way:

At a rate of speed greater than reasonable or proper under existing conditions;

In a careless, reckless, or negligent manner so as to endanger the person or property of another or to cause injury or damage thereto;

While under the influence of intoxicating liquor or narcotics or habit-forming drugs;

Without a lighted head and tail lamp when required for safety; and;

In a tree nursery or other area of new plantings in a manner which damages or destroys growing stock.

001.19I Special Events

The Manager may issue special temporary permits to persons and organizations desiring to conduct organized group outings, trail rides, rallies, and other similar events. In permitting such events, the Manager may prescribe such restrictions or conditions as he may deem advisable.

001.19J In Case of an Accident

The operator of a snowmobile involved in a collision, accident, or other casualty shall give his name, address, and the number of such snowmobile in writing to any injured person and to the owner of any property damaged in such collision, accident, or casualty.

When a collision, accident, or casualty involving a snowmobile results in death or injury to a person or damage to property in excess of one hundred dollars (\$100), the operator of such snowmobile shall file with the Department of Motor Vehicles a report of same prescribed by D.M.V. regulations.

001.20 **Swimming and Wading**

001.20A Swimming and wading area permitted in designated areas only.

001.20B The use of flotation devices within designated swimming areas is prohibited, except such devices as are approved by the United States Coast Guard.

The use of surfboards and similar devices, and the throwing of Frisbees, balls and other similar devices within designated swimming areas are prohibited.

001.20C Swimming from vessels underway is prohibited.

001.20D Swimming or wading within twenty (20) yards of a boat ramp, boat dock or mooring facility is prohibited.

001.21 **Traffic**

001.21A It shall be unlawful to park, tow or otherwise operate any motor vehicle, trailer or cabin trailer within the confines of a park area which does not bear valid license plates and is not registered in accordance with applicable state laws. All such vehicles not properly licensed and registered shall be in violation and may be impounded by the Manager or law enforcement officer.

001.21B It shall be unlawful for any person not possessing a valid motor vehicle operator's license to operate a motor vehicle of any type within the confines of a park area.

001.21C It shall be unlawful to park, tow or otherwise operate any motor vehicle, trailer or cabin trailer on other than those areas or portions of areas, roadways, campgrounds, beaches and parking areas as may be designated by the District for such operation.

001.21D All traffic laws and District park regulations governing operation of motor vehicles on roadways of the state park system shall further apply to motor vehicle operation on those off-road portions of park areas, including but not limited to campgrounds, beaches and parking areas, as may be designated by the District for motor vehicle operation.

001.22 Vending

- 001.22A** The vending, including mobile vendors, of various goods and services, products and commodities, is permitted on park lands with the prior written authorization of the District. The vending of any such goods and services, products and commodities without written authorization of the District is prohibited.
- 001.22B** No park area shall be used as a headquarters or residence by any person or group engaged in commercial or professional activities without prior written authorization of the District.
- 001.22C** The sale or distribution of printed matter is permitted within the park areas provided a permit to do so is issued in advance by the District.
- 001.22D** Persons engaged in the sale or distribution of printed matter shall not obstruct or impede pedestrians or vehicles, harass park visitors with physical contact or persistent demands, misrepresent with purposes or affiliations of those engaged in the sale or distribution or misrepresent whether the printed matter available without cost or donation.

001.23 Boating, Personal Water Craft, Jet Skis and Water Skiing

- 001.23A** Motor boats and motorized fishing craft are permitted on all Little Blue Natural Resources District recreational areas but are subject to no-wake restrictions as posted and other state boating regulations. Personal water craft, jet skis and other water vessels powered by combustion engine are prohibited. The towing of persons on water-skis, surfboards and similar devices by vessels is prohibited.
- 001.23B** The use of vessels which are not powered by combustion engines, such as canoes, sail boats, sailboard and man-powered paddle boats are permitted, except in designated beach areas.

001.24 Water Sports – General

- 001.24A** Areas on which water-related recreational activities are permitted may be zoned to separate or define activities. Such zoning may prescribe the area in which the public may engage in such activities, or may limit the hours during which the public may engage in any such activities. Such zoning shall be clearly indicated by such signs, markers, buoys, or other appropriate devices in widespread and common use for such purposes.
- 001.24B** The number of participants engaging in any of the above-mentioned water-related recreation activities on any area owned or controlled by the District may be limited by management personnel of the District when conditions warrant such limitations in the interest of public health, safety or welfare.

001.24C Management personnel of the District are herewith specifically authorized and empowered to declare emergencies and to require the participants in any or all of the water-related activities mentioned in the foregoing on any such areas, to cease such activity and to temporarily vacate the water area, or a portion of the water area, in the event of a water accident, severe weather, or similar emergency. No person shall have permission to engage in any such activity in any such area or portion thereof during such declared emergency.

001.24D Watercraft shall not be left unattended in or near waters owned or controlled by the District except at designated mooring, anchoring or beaching locations.

001.24E Docks installed adjacent to boat ramps shall be used only for the following purposes: Launching and recovery of watercraft, and embarking and disembarking passengers. The mooring of watercraft at such docks for any other reason or for a period of time greater than that reasonable to accomplish the permitted activities is prohibited.

001.25 Winter Sports

001.25A Skiing, sledding, tobogganing, snowshoeing, skating, and similar winter sports are permitted except upon roads and parking areas when such roads and parking areas are open to motor vehicle traffic and in other places where these activities are prohibited by appropriate regulations and/or posted signs.

001.25B The towing of persons on skis, sleds or other sliding devices by a motor vehicle or snowmobile is prohibited.

001.25C The operation and use of snowmobiles shall be in accordance with appropriate regulations and state laws.

001.26 Standards of Regulations

001.26A The standards established in these regulations are in furtherance of the preservation and protection of the natural scenic, historic, pastoral, and fish and wildlife values and provide for the enhancement of the recreation values of the park area.

001.26B Use of property will be in conformance with applicable Federal, State and Local laws, regulations and ordinances.

001.27 Exceptions to Regulations

001.27A Nothing in the foregoing shall be construed as prohibiting the Little Blue Natural Resources District or their duly appointed agents or employees from the conduct of their assigned duties in the administration, maintenance and development of areas owned or controlled by the District.

001.27B In the event of natural disaster, state or national emergency, civil disorder, accident, or other situation wherein the conduct or activities otherwise permitted under these regulations may constitute a hazard to the public health, safety or welfare, or inhibit rescue, recovery, post-disaster or development operations, management personnel of the District area herewith specifically empowered and directed to take such measures at their disposal to preserve the public health, safety and welfare and to expedite rescue, recovery and operations, to include the temporary suspension of any or all activities contemplated in these regulations or any area or portion of any area owned or controlled by the District and the temporary closure and/or evacuation of any such area.

001.28 Disorderly Conduct

001.28A Disorderly conduct is prohibited.

001.28B Disorderly conduct is committed when a person causes public alarm, nuisance, jeopardy or violence, or recklessly creates a risk thereof, by:

001.27B1 Engaging in fighting or threatening, or in violent behavior; or

001.27B2 Using language, an utterance, or gesture, or engaging in a display or act which is obscene, physically threatening or menacing, or done in a manner which is likely to inflict injury or incite an immediate breach of the peace; or

001.27B3 Making noise which is unreasonable, considering the nature and purpose of the actor's conduct, location, time of day or night, and other factors which would govern the conduct of a reasonably prudent person under the circumstances; or

001.27B3A In accordance with General Rule 001.5M, quiet time shall be maintained in all campgrounds between the hours of ten (10) p.m. and six (6) a.m.

001.27B3B Creating or maintaining a hazardous or physically offensive condition.

001.28C Persons committing disorderly conduct may be evicted from the area.
